

Ausmed's New Healthcare Conference for Educators and L&D Practitioners

Ausmed Elevate 2023 is a new healthcare conference that will empower you and your team with the knowledge and practical skills needed to elevate your L&D program.

What's the purpose of this conference?

The purpose of Ausmed Elevate 2023 is to provide team and organisational managers with the knowledge and skills to support the L&D needs of their staff and other members, by increasing the efficiency and effectiveness of their education plans and training plans.

Why Attend?

This conference is made for people involved in mandatory training and the ongoing education of Australia's healthcare workforce.

A dedicated event for:

- L&D coordinators
- Education managers
- Training managers
- Nurse educators
- Ausmed Elevate '23 is for you!

Education and clinical practice development is essential to an organisation and the wellbeing of our community. In a landscape of ongoing reform, workforce challenges and change, staying up-to-date is more critical than ever.

Why is this conference relevant?

This events program includes topics that relate to the entire healthcare workforce, regardless of service environment or care sector.

The program includes 2 dedicated care streams for:

- The acute care sector
- The aged care sector

The program also includes topics on the following service environments:

- Home care
- Residential care
- Respite care
- Acute care (including day surgery)
